# MEDICAID MEMO

TO: Providers of Long-Term Care Services

FROM: Cynthia B. Jones, Director  
Department of Medical Assistance Services

MEMO: Special

DATE: 3/25/2015

SUBJECT: Delay of New Patient Pay Payment Processing for Claims Submitted by Long-Term Care Providers

This memorandum supersedes the memo entitled “**New Patient Pay Payment Processing for Claims Submitted by Long-Term Care Providers — Effective April 1, 2015**”, dated February 24, 2015. That memo has been removed from the Web. The Department of Medical Assistance Services is **delaying changes to patient pay processing** for claims submitted by Long-Term Care providers included in the memo previously published on February 24, 2015. **Providers should continue to submit patient pay on claims.** The Department intends to implement the changes outlined in the previous memo, possibly with modifications, as soon as practicable and will publish a new memo at that time.

## **COMMONWEALTH COORDINATED CARE**

Commonwealth Coordinated Care (CCC) is a new program that is coordinating care for thousands of Virginians who have both Medicare and Medicaid and meet certain eligibility requirements. Please visit the website at [http://www.dmas.virginia.gov/Content\\_pgs/altc-enrl.aspx](http://www.dmas.virginia.gov/Content_pgs/altc-enrl.aspx) to learn more.

## **MANAGED CARE ORGANIZATIONS**

Many Medicaid recipients are enrolled with one of the Department’s contracted Managed Care Organizations (MCO). In order to be reimbursed for services provided to an MCO enrolled individual, providers must follow their respective contract with the MCO. The MCO may utilize different prior authorization, billing, and reimbursement guidelines than those described for Medicaid fee-for-service individuals. For more information, please contact the MCO directly. Additional information about the Medicaid MCO program can be found at [http://www.dmas.virginia.gov/Content\\_pgs/mc-home.aspx](http://www.dmas.virginia.gov/Content_pgs/mc-home.aspx).
